Office of the R.L.A.

Under Clause 10 of the Bombay She Cattle (Bovinese) Licensee and Maintenance Order, 1944, Government can, without assigning any reason, cancel any license granted under the said Order. The Milk Commissioner says that our ofder is really for obtaining cattle-feed of controlled nature for which purpose proper accounting of cattle numbers has to be maintained. Even if this be the object of Government. When making the order, it has not been stated so in the preamble, and the order on the face of it appears to be for licensing cattle with a view to see tha they are maintained in good condition and for obtaining information regarding their numbers etc. There is, therefore, no objection to cancel the licences under Clause 10 of the Bombay She Cattle (Bovinese) License and Maintenance Order. It does not seem advisable to give any reasons, and clause 10 does not require that reasons be given. The Advocate General (Mr.Amin) who is in charge of the proceedings commenced against the municipality was informally acquainted with this opinion and concurs therein
